

Q43系列

鳄鱼式剪切金属液压机
Crocodile Type Metal Cutting Hydraulic Press

产品概述 Applications

该系列机型适用于金属回收加工厂、报废汽车拆解场、冶炼铸造行业，对各种形状的型钢及各种金属结构件进行冷态剪断，加工成合格炉料。

This series of models are suitable for metal recycling and processing plants, scrap car dismantling yards, smelting and casting industries. They can cut various shapes of steel sections and various metal structural parts in cold state and process them into qualified furnace materials.
